

### *My Heart Prayer*

I ask my Guardian Angel to take my heart and place it in the hands of the Blessed Mother so she can give it to her Beloved Son Jesus, the King of all Hearts.

Sweetest Jesus, please accept my heart today as a special gift to You, because I love You. Please keep it close to Yours so that we become Best Friends.

I will think of You during the day and ask You to help me to be good in everything I do. And then, before I sleep, I will thank You for the blessings You have given to me and my family.

Please forgive any way I have hurt Your Beautiful Heart today. I promise to try harder tomorrow.

With love from Your Best Friend,
